Zogoflex[®] Active Dog Toys :

Guaranteed to endure as much as your dog can dish out, Zogoflex[®] bouncing and floating toys exhaust your dog without exhausting your budget. If your pooch is one of the amazing 1% of dogs that does have the persistence to damage it, send it back for a one-time replacement or refund. We'll also recycle the old one in our exclusive Join the Loop[™] recycling program.
